

INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of India@75 Foundation

Opinion

We have audited the accompanying financial statements of India@75 Foundation ("the Trust"), which comprise the Statement of Assets and Liabilities as at March 31 2021, the Income and Expenditure Account for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Trust as at March 31, 2021, its excess of expenditure over income for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Trust in accordance with the 'Code of Ethics' issued by the ICAI together with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Responsibilities of Management for the Financial Statements

The Management of the Trust is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Trust in accordance with the accounting principles generally accepted in India, including the Accounting Standards issued by the ICAI. This responsibility also includes maintenance of adequate accounting records and the design, implementation and maintenance of internal control, relevant to the preparation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Trust or to cease operations, or has no realistic alternative but to do so.

The Management is also responsible for overseeing the Trust's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management of the Trust regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the management with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

1. Background

India@75 Foundation ('the Trust') is a public charitable trust established under Indian Trust Act, 1882 on July 13, 2012 at New Delhi with the objective of providing a platform for initiating various activities which have significance on all round development of the Country which mainly includes education for the underprivileged, skills development, sustainable inclusive urbanization, upliftment of the urban poor, food security, rural development etc.

2. Significant accounting policies

a) Basis of accounting

The financial statements of the Trust have been prepared under historical cost convention on an accrual basis as a going concern. The Trust has not received any grant / sponsorship during the year however the Trust has sufficient cash and bank balances to meet future obligations of the next twelve months.

b) Use of estimates

The preparation of financial statements requires the management to make judgments, estimates and assumptions that affect the reported amount of income, expenses, assets and liabilities and the disclosures of contingent liabilities, at the end of reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

c) Intangibles assets and their amortisation

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortisation and accumulated impairment losses, if any. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in the Income and Expenditure Account in the year in which the expenditure is incurred.

Amortisation of intangible assets is provided on the written down value of the intangible assets as per the rates given in the Income Tax Act, 1961 on a pro-rata basis. All intangible assets are assessed for impairment whenever there is an indication that the intangible asset may be impaired.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Income and Expenditure Account when the asset is derecognised.

d) Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Trust and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized.

(i) Donations

Revenue from specific and general donations is recognized on receipt of donation when there is a reasonable assurance that the Trust will comply with the conditions attached.

(ii) Sponsorships

Income from events and various programs sponsorships is being recognized based on arrangements/agreements with the concerned parties at the instance of event/ program being completed.

(iii) Grants

Revenue grants, where reasonable certainty exists that the ultimate collection will be made are recognized on a systematic basis in the Income and Expenditure Account over the periods necessary to match them with the related cost which they are intended to compensate.

(iv) Interest

Interest is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

Handwritten signature/initials.

e) Provisions

A provision is recognized when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

f) Earmarked funds

Contributions received from members and non-members towards specified objectives where unutilized amounts are not refundable on completion of specified objectives are credited under the caption "Earmarked Funds" in the Balance Sheet. On utilization, the utilized amount in that year is reduced from the fund. In cases where fund have been received for acquisition/ construction of fixed assets, the utilized amount in that year is reduced from the cost of fixed assets. In cases where fund have been received towards expenditure of revenue nature, the utilized amount in that year is adjusted in the Income and Expenditure account. Interest income earned, if any, on investments made out of the Earmarked Funds, net of tax, is added to the respective Earmarked Fund.

Contributions received from members and non-members towards specified objectives where unutilized amounts are refundable on completion of specified objectives are recorded as liability under the caption "Current Liabilities" in the Balance Sheet.

g) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Trust or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Trust does not recognize a contingent liability but discloses its existence in the financial statements.
